Rear Admiral Ted C. Steele, USN
Commander
U.S. Forces Caribbean

Dear Admiral Steele:

On the eve of your retirement from a distinguished career in the Navy, I would like to take this opportunity to thank you on behalf of the Foreign Broadcast Information Service for all you have done for our bureau in Key West.

My bureau chief on Truman Annex, [] has told me of the excellent working relationship he has with your command. We are grateful to your J-6 staff, which provides us with the facilities to both receive and send classified information, and feel that providing finished translations from the various radio programs in the Caribbean and Central America that we monitor to your J-2 is but a small repayment.

In addition, I am happy to hear of the close personal as well as professional relationship our people have with your officers.

Once again, thank you for your excellent support to our Key West Bureau. I wish you the best in all your future endeavors.

Sincerely,

[]

Director
